Subject: Public Notice Language

This is what I am proposing for the Kampachi EA.

9.0 Public Notice

The EPA will be providing the public an opportunity to review and comment on this EA during a 30-day public comment period. The notice of availability for the EA will be published in both the Sarasota – Herald Tribune and on EPA’s website at <https://www.epa.gov/aboutepa/about-epa-region-4-southeast>.

Copies of the EA along with a copy of the draft NPDES permit can be downloaded from the above referenced website.
